

GUIDELINES FOR ATTENDING IPSIS RESEARCH SKILLS SEMINAR SERIES 1/2026

Date: 20 April 2026 (Monday) – 30 April 2026 (Thursday)

Platform: UFuture, MyMOOC

1. Eligibility

Only students with **ACTIVE** academic status are eligible to attend the IPSis Research Skills Seminar Series. Students with the following statuses are **NOT ALLOWED** to participate:

Dismissed (D10, D11)
On Special Leave (CK)
On Deferment of Semester (TG)

2. How to Join

1. Access the platform via [UFuture](#) 
2. Refer to **Appendix 1** to check your cluster and **Appendix 2** for detailed steps to join the courses.
3. Note: Course content will be available in the “Learning Activities” section starting **20 April 2026**. Assessments will only be accessible from **20 April 2026 – 30 April 2026**.

3. Seminar Modules

The seminar consists of **eight (8) modules**, which must be completed in **sequence** from Module 1 to Module 8.

4. Delivery Mode

There are **no live sessions**. All modules are delivered through pre-recorded videos available on the platform.

5. Assessments

1. There are **seven (7) assessments** to be completed (one per module, **except Module 7**).
2. Each assessment allows **two (2) attempts**.
3. Complete the assessment after finishing the respective module.
4. Duration for each assessment: **1 hour**.

6. Completion Window

You may complete all modules and assessments anytime between:
20 April 2026 (8.00 AM) – 30 April 2026 (11.55 PM)

7. Certification

1. A certificate will be awarded only if you achieve an average score of **at least 50%** across all modules.
2. E-certificates will be available by **4 May 2026**.
3. You may download your certificate directly from: [Certificate Download Link](#)

Thank you, and we look forward to your participation in the seminar!

APPENDIX 1

LIST OF PROGRAMME CLUSTERS

SCIENCE AND TECHNOLOGY CLUSTER

Faculty of Built Environment (BE)	Faculty of Civil Engineering (EC)	Faculty of Mechanical Engineering (EM)	Faculty of Chemical Engineering (EE)	Faculty of Electrical Engineering (EH)	Faculty of Medicine (MD)
Faculty of Dentistry (DS)	Faculty of Applied Science (AS)	Faculty of Plantation and Agrotechnology (AT)	Faculty of Health Science (HS)	Faculty of Sports Science & Recreation (SR)	Faculty of Computer & Mathematics Sciences (CS)
Malaysia Institute of Transport (MITRANS) (LT)	Faculty of Pharmacy (PH)	Atta-ur-Rahman Institute for Natural Products Discovery	Integrative Pharmacogenomics Institute	Institute of Pathology, Laboratory & Forensic Medicine	Institute for Big Data Analytics & Artificial Intelligence
Microwave Research Institute	Institute of Infrastructure Engineering & Sustainability Management	Institute for Biodiversity & Sustainable Development	Smart Manufacturing Research Institute	Institute of Science	Solar Research Institute

APPENDIX 2

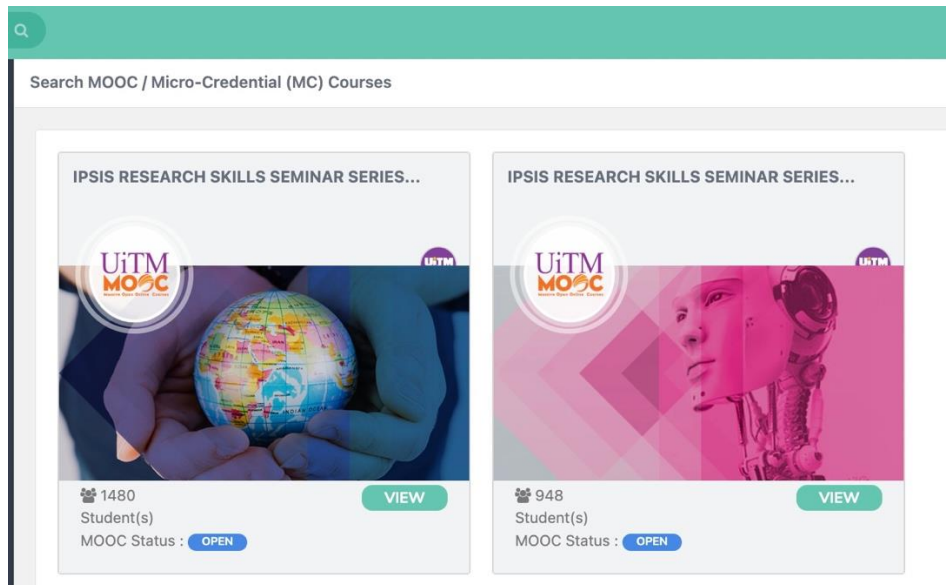

Step 1 Log In > Choose Student > Insert Student ID and password

The screenshot shows the login interface for the iStudent Portal. At the top, there are logos for Universiti Teknologi MARA and 'future'. Below the logos, there are two tabs: 'UITM' (selected) and 'NON-UITM'. Under the 'UITM' tab, there are radio buttons for 'Staff' and 'Student', with 'Student' selected. The 'Username' field contains '2024498414'. The 'Password' field is masked with dots and has a 'Forgot your password?' link. A blue 'LOG IN' button is present. Below it, there is an 'OR' separator and a 'Sign in as SR DR SITI MAZZUANA' button with a Google icon. Below that, there is an example email address '2020123456@student.uitm.edu.my' and a link 'Click HERE to activate your UITM Gmail account'. At the bottom, there is a 'Sign Up' link for users who don't have an account. At the very bottom, there is a 'Contact Us' link and contact information for the IT Department.

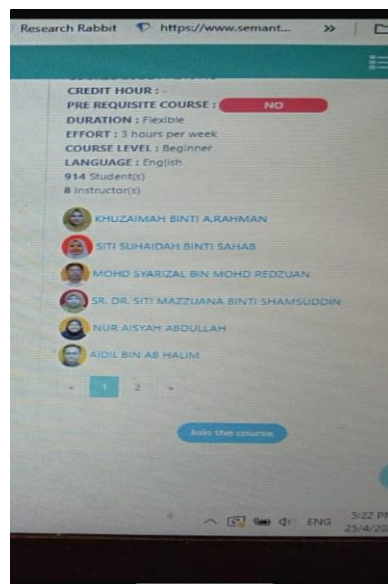

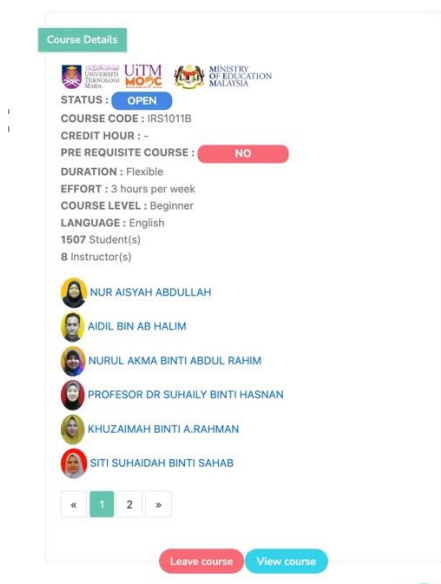

Step 2 : At the search button (top left Corner, insert "IRS1011")

Step 3 : You will see 2 picture, Choose according your Cluster (Blue for Social Science, Pink for Science & Technology). Click View.

Step 4: You will see either View Course or Join Course. Click View Course of Join Course

Step 5: On the left panel you will see a menu, click on Learning Activities > Activities. There will be a list of 8 Modules. Click one by one and you will see activities in each module. Complete all the activities.
