

**MASTER OF PATHOLOGY (FORENSIC PATHOLOGY) (KKM) - MD781**  
**DURATION OF STUDY: 4 YEARS / 8 SEMESTERS**  
**(INTAKE : DECEMBER)**

**Synopsis**

Master of Pathology (Forensic Pathology) is a four-year-postgraduate programme which aims to provide an in-depth training for medical doctors to become a forensic pathologist. The apprenticeship programme, which is a full-time course will produce a forensic pathologist who is competent in performing, interpreting, reporting of forensic autopsies and clinical forensic examination. Ultimately, a candidate who has graduated from the programme will become a forensic pathologist who is able to form an expert opinion from forensic investigations and possess good communication and leadership skills to effectively work in a forensic facility.

**Entry Requirement**

<b>General</b>	
i)	A medical degree such as MBBS, MBChB, MD or any equivalent medical qualification from a recognized university in Malaysia or abroad.
ii)	Have obtained a full registration certificate with the Malaysian Medical Council (MMC).
iii)	Have passed an entrance evaluation and an interview or any form of assessment deemed necessary by the Pathology Conjoint Committee.
iv)	Have fulfilled all university requirements and regulations.
