INTRODUCTION

The International Conference Postgraduate Education (ICPE) series is organised by Majlis Dekan Pengajian Siswazah for Malaysia Public University. Every 2 years, one public university will be selected to become organizer of the event. This year, UiTM was selected to co-organize the event. The summary of past event as given:

i. The first international conference was co-organized by Universiti Malaya in 2004 and the theme was ‘Governance of Postgraduate Education in the 21st Century’.

ii. The second conference was hosted by Universiti Malaysia Sarawak in 2006 with the ‘Effective Management for Quality Postgraduate’.

iii. In 2008, the third conference with the theme ‘Postgraduate Research: Multidisciplinary Perspective’ was co-hosted by Universiti Sains Malaysia. The event had been conducted from 16 to 17 December 2008.

iv. Graduate School of Business from Universiti Kebangsaan Malaysia co-organized the 4th International Conference on Postgraduate Education (ICPE-4). The theme was “Globalisation and Liberalisation of Postgraduate Education”. The venue was at Cititel Mid Valley, Mid Valley City, Kuala Lumpur from 26 to 28 of November 2010.

v. The 5th International Conference on Postgraduate Education (ICPE-5) was co-organized by Universiti Teknologi Malaysia and Universiti Tun Hussein Onn Malaysia. The theme of the conference was “Current Trends in Postgraduate Education” and it was held on 18 to 19 December 2012.

vi. Conference theme, “Transforming the Frontiers Towards Sustainable Postgraduate Education” was used for 6th International Conference on Postgraduate Education (ICPE-6). The event was held on 17 to 18 December 2014 and co-organized by Universiti Teknikal Melaka and Universiti Tun Hussein Onn Malaysia.

CONFERENCE MODE

The conference will be divided into two sections (i) keynote speech; (ii) poster presentation.

Distinguished speakers will deliver Keynote speech that will cover two topics:

a) Internationalization in Postgraduate Studies by Datuk Prof. Dr. Asma Ismail (Director General Higher Education Department)

b) Innovation and Entrepreneurship by Prof. Dr. Mohd Omar Ab Kadir (Universiti Sains Malaysia)

Poster presentation will cover 2 research areas which are Engineering, Science & Technology and Arts, Humanities & Social Sciences. 20 selected papers will be published in Scopus Indexed journal.
